TRACES

Faded photograph, covered now
with lines and creases;
Tickets torn in half, memories
in bits and pieces;
Traces of love long ago that
didn't work out right;
Traces of love.

Ribbons from her hair, souvenirs
of days together;
The ring she used to wear, pages
from an old love letter;
Traces of love long ago that
didn't work out right;
Traces of love with me tonight.

I close my eyes and say a prayer
That in her heart she'll find a
Trace of love still there somewhere.
Traces of hope in the night that
you'll come back and dry these
Traces of tears from my eyes.

"Souvenirs of Days Together"

Days in the Senior Court

Days to perform

Days for just being yourself??????????

Days to feel high

Days to be happy

Days to just hang around

Dedicated To Our

P is for patience.

A is for the advice you gave us to
help with our wordly problems.

R is for the reverence we share
together.

E is for our education which your
sacrifices made possible.

N is for our nonsense with which
you so patiently abided.

T is for the time spent for and
with us.

S is for your many sacrifices to
make us what we are.
